Perishable Cargo Facility

In concert with our carriers, AMU is continuing to broaden the scope of products available to our valued broker force. Effective immediately, we are pleased to provide insurance cover for perishable commodities ranging from frozen and fresh meat to frozen and fresh vegetables.

We are please to provide more specific commodity details as follows:

❖ **Commodities**

- ❖ Frozen Food
- ❖ Frozen Meat (including carcasses on hooks)
- ❖ Frozen Fish
- ❖ Frozen Catch
- ❖ Drinks & Liquids
- ❖ Pharmaceutical products, vaccines, embryos, semen, tissue, blood, culture media or suspended in plasma
- ❖ Chilled Fish
- ❖ Chilled Meat
- ❖ Root vegetables such as tubers, garlic, onion, squash, cauliflower, broccoli, cabbage, lettuce and spinach
- ❖ Apples, pears, artichokes
- ❖ Asparagus
- ❖ Avocados, bananas, cucumbers, grapefruit, kiwi fruit, lemons, limes, pineapple and sweet peppers
- ❖ Stone fruit, berries, oranges, nectarines, mangoes, grapes, dates and tomatoes
- ❖ Fruit in controlled atmosphere containers
- ❖ Chilled products in dry ice or insulated packaging
- ❖ Live animals or fish

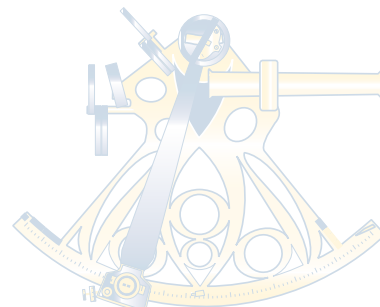

DEDUCTIBLES AS LOW AS \$500

Conditions:

- ❖ All Risks, plus possible extension clauses
- ❖ Possible extension to include delay
- ❖ Possible extension to include cover from incorrect temperature setting of the container

We trust the above will be most beneficial to you and look forward to hearing from you shortly.
